

If you used traps, use one form for each area of the lake trapped

Personally identifiable information collected on this form will be incorporated into the DNR aquatic invasive species database. It is not intended to be used for any other purposes, but may be made available to requesters under Wisconsin's Open Records laws, s. 19.32 - 19.39, Wis. Stats.

Primary Data Collector

Name	Phone Number	Email
------	--------------	-------

Monitoring Location

Waterbody Name	Township Name	County	Station Name
----------------	---------------	--------	--------------

If you used traps

Latitude of approx. center of minnow trap	Longitude of approx. center of minnow trap
---	--

Method of obtaining Latitude and Longitude: GPS Online Surface Water Data Viewer Other Mapping Software
 Other _____

Date and Time of Monitoring

Start Date	Start Time	End Date	End Time
------------	------------	----------	----------

If you used a net, the Start Date and End Date are the date you monitored. If you used traps, Start Date = Date minnow traps deployed, or since you last removed crayfish from the traps. End Date = Date you pulled up the minnow traps.

NOTE: Traps must be pulled every 24 hours.

Equipment Used

Equipment (check all that apply)
 Dip Net Hand Net Seine Net Minnow Trap Trap made from 5 gallon bucket Other: _____

If you used traps

Number of traps used	Average Water Depth where you put traps	Feet / Meters (circle one)
----------------------	---	----------------------------

If you used a net

Total search time (minutes x # of people)

Average water depth where looked Feet / Meters (circle one)

Monitoring Results

Number of crayfish collected (if none, put 0)	Number of Whirl-Paks used for preservation at this site
---	---

Water Temperature	Degrees F / Degrees C (circle one)	Dissolved Oxygen (mg/l)
-------------------	------------------------------------	-------------------------

Estimated percent cover in the sample area (Optional)

Substrate cobble, %	Substrate muck, %	Substrate boulders, %	Substrate sand, %	Bottom covered with plants, %
---------------------	-------------------	-----------------------	-------------------	-------------------------------

Voucher Sample

If you found what you suspect are rusty crayfish, did you collect a voucher specimen and bring it to your local DNR office or to the UW Center for Limnology? If so, which office?

Rhinelander Spooner Green Bay Oshkosh UW Center for Limnology Other Office: _____
 Fitchburg Waukesha Eau Claire Superior Didn't take sample to a DNR office or UW

Additional Comments

For DNR staff to fill out

Did you get sample to Center for Limnology? Yes No If yes, who verified it?
 Was the sample confirmed as including rusty crayfish? Yes No

DNR staff: Please enter voucher information into SWIMS under the Rusty Crayfish Voucher Project for your region. Enter date of sampling for "Start Date", Person who identified specimen as "Data Collector", and Monitoring location as "Station".
